

ESAA – BOY CHAMPIONS IN ALL AGE GROUPS

This document highlights those boy athletes who have, as a minimum, won SAA/ESAA titles in each age group. Incidentally the ESAA was known as simply the *Schools' Athletic Association (SAA)* till 1961.

103 boy athletes have won at least one title in all 3 age groups.

The majority of the athletes won all of their titles in the same event but there are many notable exceptions. I have mentioned a few of them below.

Ed Dunford (Warwickshire) has won more ESAA titles than any other competitor. From 1998 to 2003 he won the full set of Combined Events titles twice and added the Junior 80m hurdles in 1998, the Intermediate hurdles in 2001 and the Senior 110m hurdles in 2003.

Jamie Quarry (Kent) was also a Decathlon winner, in 1990, but added the Junior Triple Jump in 1988, the Intermediate 400m hurdles in 1989 and the Senior 110m hurdles in 1991.

From 1976 to 1980 **David Lewis** (Lancashire) won the Cross Country in all age groups and the Steeplechase titles in both age groups. He also won the Junior 1500m in 1976.

From 1984 to 1989 **Spencer Duval** (Staffordshire and Somerset) had similar success to David winning the Cross Country in all age groups and the Steeplechase titles in both age groups.

Three of those winning all their titles at one event did so with 2 titles in each age group. They are :

- **Andrew Tolputt** (Berkshire) in the Hammer from 1981 to 1986
- **Nick Ball** (Hampshire) in the Walks from 2001 to 2006
- **Chris Snook** (Surrey) in the Walks from 2013 to 2018.

THE LIST OF CHAMPIONS AT EVERY AGE GROUP

The athletes are listed in County order. The year range of their title wins and the events won and number of times won is shown. For race walkers only the number of wins is shown.
