

ESAA – EUROPEAN CHAMPIONSHIPS ROLL OF HONOUR

Former ESAA competitors have won medals in every European Championships since 1950 with only one exception, the 1966 championship.

In 1966 the sequence of medal wins was so close to being maintained. Mary Bignal (Somerset) took 4th place in the Heptathlon, only 2 points behind the bronze medallist. Chris Carter (Sussex) also finished in 4th place in the 800 metres in a British record time of 1m 46.3s, the same time as the bronze medallist.

The 165 former ESAA competitors who have won European Championship medals in individual events or in relays are shown below in chronological order.

Following the list of ESAA competitors who have won European Championship medals are the names of those who competed in their County School Championships but for one reason or another did not compete at the ESAA Championships.
